Thanking our 2011 Sponsors

- **Platinum level:**
  - John Deere
  - MITRE
  - Merck
  - Werfen Group
  - Instrumentation Laboratory

- **Gold level:**
  - Global Project Design
New Sponsors for 2011:

90.9 WBUR
Boston’s NPR® news station

SCIENCE DRIVEN
Management Consulting

The Dalai Lama Center for Ethics and Transformative Values

Leadership, Innovation, Systems Thinking
Facts About You

• Attendees from:
  Kazakhstan
  Canada
  South Korea
  Japan
  Estonia
  Mexico
  Japan
  Germany
  Ireland

• Industry Sectors:
  Automotive
  Aerospace
  Media
  Heavy machinery
  Telecomm
  High Tech
  Medicine - bio-pharm and hospitals
  Medical Devices
  Government
  The Military
  Oil
  Consulting
  Defense
  Banking
  Product Development
  ....and more
SDM Mission

To educate future technical leaders in architecting, engineering, and designing complex products and systems, preparing them for careers as the technically grounded senior managers of their enterprises.

To set the standards for delivering career-compatible professional education using MIT’s most advanced information and communication technologies.

“This is a program for those who want to lead engineering, not leave engineering.”
– Prof. Tom Magnanti, SDM Founding Co-Director
